

A close-up, profile view of a woman with dark hair tied back, eyes closed, and a serene expression. She is in a bathtub filled with white bubbles. In the foreground, several white flowers with yellow centers are visible, slightly out of focus. The background is bright and blurred, suggesting a window with light coming through.

Indulge

Indulge your senses with a full-body pampering experience using a combination of Natural and Organic ingredients to soothe and protect your skin. Alleviate stress, detoxify and protect in a few simple, indulgent steps in the comfort of your own home.

A close-up, profile view of a woman with dark hair tied back, eyes closed, and a serene expression. She is in a bath filled with white foam. In the foreground, several white flowers with yellow centers are visible, slightly out of focus. The background is softly blurred, showing a window with light coming through.

Blooming Bath Oil

An all out sensory experience, this light oil blooms in your bath water to create a nourishing moisturizing soak to help restore what your stressful day has removed from your skin. The natural oils from Babassu and Acai moisturize while Biochelated Minerals nurture and repair. A powerful combination of Organic antioxidants including Acerola and Wild Yam helps to scavenge free radicals from the environment and protect the skin.

A close-up, profile view of a woman with dark hair tied back, relaxing in a bathtub. Her eyes are closed, and she has a serene expression. The background is softly blurred, showing white flowers and a window with light streaming in. The overall mood is peaceful and relaxing.

Hair & Face Conditioning Mask

Once you have thoroughly cleansed your body from top to bottom it's time to condition and soften. This refreshing and moisturizing mask uses Babassu oil and essential fatty acids to soften and condition both the hair and the face. Apply while relaxing in the bathtub and allow the Biochelated Minerals and Organic extracts to penetrate and condition.
